

We have entered into new Financial year and now moving ahead with so many hopes as things has started coming on the track again.

While Company received good orders and in line with digitization in Dairy sector, the new and innovative orders have been received in Renewable Energy Sector too which may open up big opportunities for the Company in the near future.

Focussing on Green Building concept, REIL solarized it's own office building. The Company also got connected in a major way to it's responsibilities towards Hindi Rajbhasha.

Activities like International Yoga Day and Celebration of Company's Foundation day were celebrated virtually on a digital platform and everything went so smoothly and enjoyed by majority of employees and their families.

My sincere thanks to all our stakeholders including Customers, Vendors, Employees & Shareholders who all have provided their consistent support always. We are geared up to do better and achieve targets for the year ahead.

Green Building Initiatives: Grid-Connected SPV Rooftop Power plant at REIL House

30 kWp Grid-Connected Rooftop SPV Power Plant at REIL House

The Company has installed 30 kWp Grid-connected Roof Top Solar Power Plant at REIL House, Mansarovar, Jaipur in order to comply with the terms of 3-Star GRIHA rating and to realize the social and economic advantages of Solar Power Plant. The 30 kWp plant installed is directly connected to the grid and shall generate approx. 45000 units of electricity per annum, with saving of Rs. 4.30 lakh and conserving environment from 42 tons equivalent of harmful carbon emissions per year.

The power generated would be used for captive consumption and extra units will be exported to the grid.

राजभाषा कार्यान्वयन समिति (उपक्रम) जयपुर की अध्यक्षता

**श्री राकेश चौपड़ा
प्रबंध निदेशक रील**

जयपुर शहर स्थित कार्यालयों के लिए नगर राजभाषा कार्यान्वयन समिति (उपक्रम) जयपुर का गठन वर्ष 2015 में किया गया था, जिसकी अध्यक्षता के दायित्वों का निर्वहन अब प्रबंध निदेशक रील, श्री राकेश चौपड़ा द्वारा किया जाएगा। उन्होंने खुशी व्यक्त की कि राजभाषा के कार्यों के संयोजन के लिए रील को यह दायित्व मिला है और अब आगे से नराकास (उ) जयपुर की बैठकों का अध्यक्ष के रूप में संचालन करने का अवसर मिलेगा।

उपक्रम, नराकास (उ) जयपुर के तत्वाधान में राजभाषा हिन्दी के प्रगामी प्रयोग को बढ़ावा देने के उद्देश्य को पूरा करने हेतु प्रतिबद्ध है एवं गृह मंत्रालय राजभाषा विभाग द्वारा दिये जाने वाले निर्देशों और मार्गदर्शन में सभी नराकास (उ) जयपुर के सदस्यों के सहयोग से राजभाषा हिन्दी के कार्यों को आगे बढ़ाने के लिए प्रयास करते रहेंगे।

Business Highlights

Dairy Electronics

REIL tends to understand customer's needs and bring them ease by doing innovation in the current solutions and adding more features persistently. For the first time ever, REIL is to deploy Cloud based Online Milk Procurement Solution / program for DCS & BMC Center (Real time) along with SMS/Mobile Application with 5-year maintenance as per billing process of average milk collection per month. This system will upgrade & connect approximately 800 Nos. of DCS/MCC online and will provide Real time milk collection data. Such initiatives definitely will lead to great transparency for farmers and big boom in future business volume while aligning with the Digital India Mission.

Milk Collection at Central Region

In an effort to provide complete milk procurement solution for Dairy plant, received an order for an RMRD system from UCDF. This shall provide complete transparency of the collection and testing process which results in enhanced faith of the producers and also improved milk quality.

Major orders of 641 AMCU's have been received from various societies of Eastern region, Southern Region, Rajasthan & Northern Region including the big order for supply, installation & commissioning of 626 AMCU's from

Barauni Dairy under COMFED, Patna, Bihar. The order for 349 Nos Data Processor Milk Collection Unit including 149 Nos of Advanced DPMCU from Northern & Southern Region and 200 Nos order of SPV DPMCU from Bapudham of Eastern Region were also received during the quarter.

Apart from this, Company received regular orders for 254 No's of Electronic Milk Tester from Gujarat, Central Region, Southern Region and Rajasthan and 1182 Nos of Milk Analyzer from Eastern Region, Gujarat, Northern Region, Rajasthan and Southern Region. Few orders have also been executed of Automatic hand Sanitizer Machine during the quarter. Thus encouraging farmers to stay empowered and bringing positive change in dairy sector every day.

For Solarization initiatives in Dairy, REIL is incessantly working and received order for three numbers of Solar Power Plants ranging from 5kWp to 10kWp from Rajasthan & Northern region.

Digitization-other initiatives

Against the order received from Rajasthan Hindi Granth Academy, Jaipur for digitization of Monograms and Books along with application software, IT division has successfully Design, Developed and Implemented the "Digitization

Indexing Software (DIS)" and digitization of the 49 Monograms and 9 Books of Rajasthan Hindi Granth Academy. Company is equipped to carry out bulk activities of digitization.

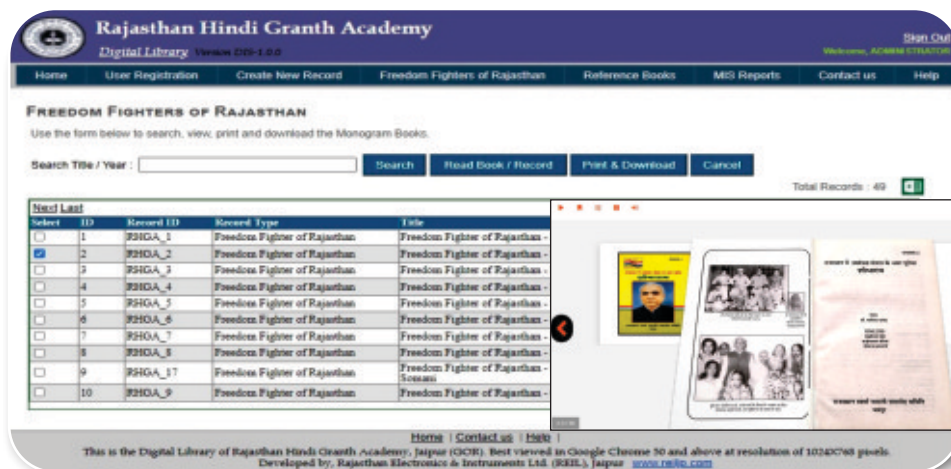

This application software is designed to deal with the tasks associated with Indexing and fast retrieval of information.

The Division has also received and successfully executed the orders from Gomati Co-operative Milk Producer's Union Limited for supply of 5 Nos. Hand Held Computer Machines used as Milk Delivery Terminal for daily supply of milk and billing purpose.

As part of State Level Agency of Election Department, Rajasthan, the technical support services has been provided successfully. During the quarter, By-Election-2021 for 2 Nos. of Assembly Constituencies - Rajsamand and Sahara successfully undertaken.

Customer Training Program

For better and uninterrupted support services to our valued customers, REIL is actively organizing trainings for field staff and other concerned, in this chain we have trained 771 Nos. of regional workers and milk society secretaries hence benefitting over 300 villages.

Digitization Indexing Software for Rajasthan Hindi Granth Academy

Renewable Energy

In this quarter, REIL has executed several projects under various schemes like Roof Top Schemes, RHDS etc.

Under allocation received from RREC under "Roof Top Solar Power Generation Scheme 2019-20" in Rajasthan under CFA scheme for Residential Sector, REIL has successfully executed 160 kWp Solar Power Plant at 26 Nos. households in Rajasthan. The Company also received an allocation of 3000 kWp Roof Top Grid Connected Solar Power Plant in Rajasthan under the scheme during the quarter.

Under RHDS project, REIL has successfully executed 50 Nos. of 7.5 HP SPV Water Pumping Systems at various sites in Rajasthan and 2 Nos. of 10 HP SPV Water Pumping Systems in Rajasthan.

To fulfil the energy needs of cooperative banks in Rajasthan so that they can provide uninterrupted banking services to all their customers in rural areas, REIL has recently submitted offer to them for implementation of Grid Connected and Stand-alone (with battery bank) SPV Power plants at various buildings of Co-operative bank in Rajasthan. In this chain,

REIL has received an order of cumulative 400 kWp of varying capacities i.e. 1kWp, 2kWp, 3kWp and 5kWp from 300 CCBs (Central Cooperative Banks) across Rajasthan in rural areas.

Under PSU CSR initiatives, REIL has successfully installed 500 kWp Grid Connected SPV Power Plant at Sri Sathya Sai Sanjeevani Hospital, Naya Raipur under CSR activity of NMDC Limited.

As a nodal agency for Smart city Jaipur, the Company has successfully installed & commissioned 50 kWp Grid Connected SPV Power Plant at Maharani College, Jaipur and installed 275 kWp Grid Connected SPV Power Plant at Jaipuria Hospital, Jaipur under Smart City Mission.

New Projects

e-Mobility

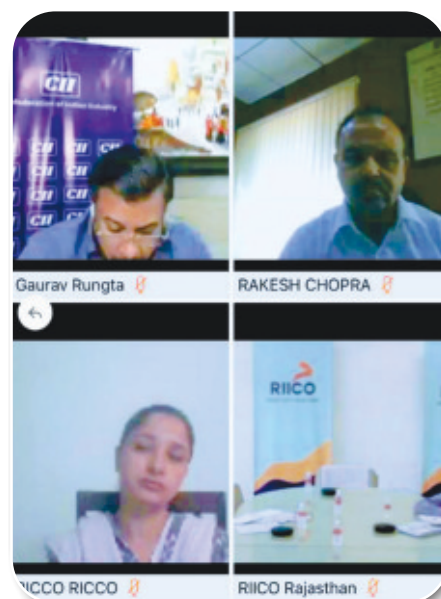

In its ongoing project for setting-up EV Charging Infrastructure across the Country, during the quarter, REIL has received a LoI of 25 nos. of EV Charging Stations for the city of Coimbatore during the quarter.

A total of 4.95 Lacs vehicles pollution certificates have been generated through online CPUC project in this quarter taking cumulative to 120.48 Lacs.

REIL in its role as Project Management Consultant (PMC) & Annual Maintenance Consultant (AMC) for EESL has successfully installed and maintaining total 320277 Nos. LED lights under Street Light National Program (SLNP).

Participations

Virtual Conference on Rajasthan-Destination Renewable Energy Equipment Manufacturing

MD REIL addressed the audience and made a presentation on Opportunities for solar equipment manufacturing in Rajasthan in a virtual conference on Rajasthan-Destination Renewable Energy Equipment manufacturing organized by CII, RIICO and RRECL on 27.04.2021. While focusing on PLI scheme and Rajasthan Solar Energy policy 2019, he also shared the potential and opportunities available in Rajasthan for manufacturing of different solar components and suggested ways to establish the state of Rajasthan as a leader in domestic manufacturing of Solar Equipment's.
